ChatGPT

Wordart

Programma di valutazione

Students will be evaluated on

1. their vocabulary test

2. oral test (On their assignments)
3. assignments (creativity)

Personalizzazione

The students with weaker speaking skills will be required to learn sentences and expressions which they will tell in front of the class. By this they will have an opportunity to develop their speaking skills and vocabulary. The students with poor spelling skills will be required to write words on the whiteboard.

Compiti a casa, project task

Homework must be assigned in TEAMS!

Students are required to make their own presentation on Environmental Pollution by the help of GAMMA. (10 slides). On the other hand, the students have to generate a podcast in the topic of E. Pollution by Notebook LM. They have to write their own prompts, which will make the podcasts unique in the case of each student.

(The teacher shows the students how to use Notebook LM.)
