Description

In bubbl.us we can indicate relationships and hierarchy using different colors and sizes.

Disadvantages

- We can have max. 3 mindmaps in the free version.
- Online collaboration works in the premium version only.
- Images can only be attached when using the premium version.

Usage in teaching/learning

We can create a mind maps (or concept map) to support brainstorming, or to summarize a topic.

Examples

When teaching a foreign language we can ask students to create a mind map of the words they already know in a certain topic. Later this can be extended as their vocabulary is getting richer.
