Description

An editor for creating your own website, with a wide range of options: you can add images, videos, links, etc. to the online text. Uploaded content is stored in chronological order, visitors can like, comment on and search content, based on tagging.

Advantages

- A blog can be used in many different ways in teaching.
- Students can edit it together.

Disadvantages

If we take it seriously, writing a blog takes a lot of time, there are a lot of abandoned blogs on the internet.

Usage in teaching/learning

Although it has a very wide range of functions, it is quite easy to use.

As a teacher, you can use it as a simple learning environment for posting lessons and assignments, but it can also be used by a class to create their own web page.
